

BG “INTERIOR RENEWAL” SERVICE

The Problem:

The average American spends 12 hours per week in their vehicle, many with a pet!

- Eating meals
- Drinking various beverages
- Spilling, leaving trash ODORS!
- Two out of five drivers admit they would be embarrassed to have a passenger due to odors and mess. (Milliken Group Study)

The Solution:

BG Interior Renewal Service (More than Fragrance!)

- EPA-registered
- Kills odor causing germs and bacteria
- Removes smoke, mold & mildew odors
- Safe for all vehicle surfaces, carpet, cloth, plastic, leather, headliner, door panels, and trunk
- Product evaporates off windows and lights
- Safe for people and pets
- Two scents, “New Car” & “Leather”
